Address by the President

SHRI JAGSHI VERSHI DEDHIA

Dear Students,

Heartiest Congratulations for your academic success!!! But it does not shape up the entire you. It requires lot of other Values and Disciplines in life to shape up a great and high performing personality. Through this platform I would like to share few basic but utmost important, small but endless do's and don'ts. Coming straight to the point given below are the few rules of life, my sincere request to all of you to follow as much as you can. Even a few things out of the many shall shape your personality in a different way.

1. Values : Respect for all, Integrity, Charity

- a) **Respect for all:** Respect every living being on earth. As our ancestors say "What you sow, so shall you reap."
- b) **Integrity:** Be true to yourself, honour your words so people shall honour you, don't cheat anybody, and be honest.
- c) **Charity:** Charity begins at home, always monetary charity is not required or needed you can devote your time, affection, knowledge to the needy.

2. Disciplines: Time & Calendar

- a) **Time:** The most valuable resource available on planet earth. Value time given to others and to yourself. Try to be punctual most of the times. Always reach people or places before 15-20 minutes before the committed time.
- b) **Calendar:** Plan your day, block time on your calendar for everything including reading mails, being on whatsapp, reading news, set reminders.

3. Character: Anger Control & Relationships

- a) **Anger Control:** The remarkable thing about anger is that it is largely unnecessary. Nothing good ever comes from it. It is a purely destructive negative emotion that you can largely eliminate if you decide to. Anger is a response that you 'choose' to a particular situation. You can decide to respond to difficulties in a calm, positive manner, or you can decide to respond with anger.
- b) **Relationships:** Your personal relationships should take precedence over everything else. As you grow and become a better person, your relationships should grow and improve as well, and in same proportion. By the law of sowing and reaping you will reap exactly what you sow.

4. Vision: Goal Setting & Planning

- a) **Goal Setting:** You have to decide what "SUCCESS" means to you because you can't hit a target you can't see. You can't accomplish wonderful things in life if you have no idea of what they are.
- b) **Planning:** Planning is as important as Goal setting. Once you have decided on your goal write down all the possibilities and difficulties to achieve that goal. Break up your end goal in small achievements and start taking steps towards that at the end you shall see that you are now nearing your end goal.

5. Spiritual: Daily Worshipping, Meditation & Peace of Mind

- a) **Daily Worshipping:** Daily worshipping is as necessary as having your food daily. Even 2 minutes of your standing in front of the GOD shall change your day as for that 1-2 minute you slowly and gradually disconnect from the outside world.
- b) **Meditation:** Meditation if practiced daily shall increase your focus and performance in any field. Even 30 minutes of Meditation shall help you a long way. Even if you don't meditate at least try to disconnect yourself from mobile, talking, email, TV, etc for an hour a day. Just be with yourself and feel the difference it shall also help you find long stuck answers or clear confusions that we always have before taking a decision.
- c) **Peace of Mind:** Achieving inner peace must be a central organizing principle of your life. It must be overarching goal to which all your other goals are subservient. In fact, you are only successful as a person to the degree to which you can achieve your own happiness, your own contentment, and your own sense of personal well being – In short, your own peace of mind.

To conclude my dear friends I would like to put forth great words of a philosopher

"Sow a thought and you reap an act;

Sow an act and you reap a habit;

Sow a habit and you reap a character;

Sow a character and you reap a destiny."

All the best, May you all have a bright and prosperous future!!!

SHRI JAY VASAVADA

Jay Vasavada is one of the most popular young author in Gujarati print media today. His versatile columns (especially 'spectrometer' and 'anavrut') covering various aspects of society and culture is running in "Gujarat Samachar" daily since last 20 years. His blog www.planetjv.wordpress.com is number ONE Gujarati blog getting more than 1500 hits a day regularly. He has 75000+ followers and friends on social network. Besides he has also contributed in famous Gujarati/English publications and with 'Life@Kite' is his maiden publication venture in English. In 2010, he has been honored by Govt. of Gujarat on Independence Day for his outstanding contribution in the field of writing. His motivational book "JAY HO" set a record with sold out orders of 10,000 copies in just 1 year in premium price market. His latest colorful book JSK : Jay Shree Krishna is reaching to new high by 10,000 copies sold in just 1 year.

His column 'Rangat-Sangat' in magazine 'Abhiyaan'. His cover a wide eclectic array of subjects like science, cinema, international politics, women empowerment, environment, culture, religion, art, youth trends, education, personality profiles, economy, philosophy, management, world literature and human relationship. With 'Yuvahawa', compilations of these articles, have been published since 2001. An exclusive youthful book on love 'Preet Kiye Sukh Hoy' is running in its fifth edition. He had also written daily column of general knowledge in Gujarati Mid-Day of Mumbai.

Jay's prominent assignment includes anchoring and scripting of a daily Gujarati celebrity talk show "Samvaad" ETV. He has presented celebrity show "Priya Gujarati" as anchor/writer/researcher on ETV. He is also writer-anchor of cultural TV serial "Aasvaad" on Doordarshan aired to 128 countries. He is regularly delivering speeches on All India Radio.

A double graduate in the field of commerce with specialization in Management, he was a full time lecturer of marketing subjects for 3 years in college affiliated with Saurashtra University.

SARASWATI CHANDRAK VJETA
NIDDHI NILESH RAVJI RITA

There is something we all want from life, we all live for a dream. A dream that defines us, a dream that completes us and today I feel complete and it is because of the immense love and contribution of my parents, teachers, family and friends.

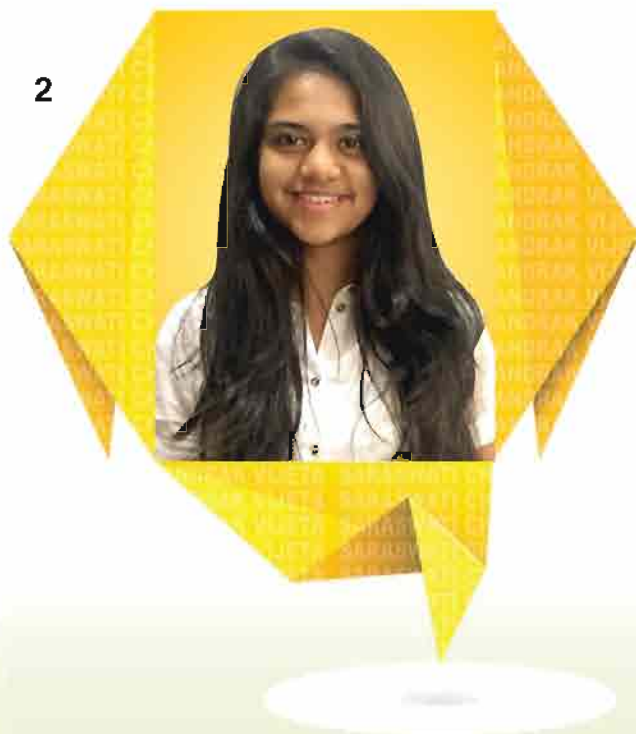

The race of life is unfair, everyone does not get the same quality car to race but does get the cheat code "STRUGGLE" which can make them win your dreams. In life aren't going to just happen. You have to make them happen by working hard and staying focused. It is not that I studied the whole day but when I studied, I would concentrate only on what I was studying and nothing else. Always remember it is important to work hard but it is equally important to work smart. Time management is vital to achieve success.

Finally, I would like to end by saying **Arise I Awake I and do not stop till the goal is reached I**

"Focus means single - pointed devotion to one cause."

Hard work, determination and unlimited support is what helped me to remain focused and do well in my ICSE examination. I owe all my success to my school and my teachers who have always believed in me and taught me to be a perfectionist in what I do. My parents and sister have supported me all through my tenth standard. They used to stay up with me while I studied and solve all my doubts. I was never distracted while studying because I never had a mobile phone till my tenth standard.

What really helped me is good time management. I was always regular with my school work and I planned my studying in such a way that I got time for all my extra circular activities as well. While studying I would give all my attention to what I was doing because of which I managed to get enough time to revise and be thoroughly prepared before my papers. I solved several previous years ICSE papers and also solved several mock papers for all my subjects. This additional writing practice was extremely helpful as it increased my confidence and ensured that I don't make any silly errors. Before writing my papers I realized that it is extremely important to have a calm state of mind so that I could write the papers with 100% concentration and perfection. I also focused on writing neatly and gave importance to presentation.

I would like to reiterate the fact that it is important to focus on your studies and do your work regularly. **Good time management and planning really helps to alleviate stress and pressure.**

"Success is Nothing more than a few simple disciplines, practiced every day." - Jim Rohn

NEEL MANISH RAYSHIBHAI KARIA

નાનપણથી જ ગણિત અને વિજ્ઞાન મારા પ્રિય વિષય રહ્યાં છે અને તેમાં મને ખુબ જ રુચી રહી છે બન્ને વિષયોમાં રાષ્ટ્રીય તેમ જ આંતરરાષ્ટ્રીય સ્તરની અનેક ઓલિમ્પિયાડ માં પ્રસંશનીય દેખાવ કર્યો છે.

નવમાં ધોરણમાં મેં મમ્મીના કહેવાથી અંગ્રેજીના ટ્યુશનમાં જવાનું શરૂ કર્યું “સ્કુલમાં જે ભણાવે છે તે શા માટે ટ્યુશનમાં જઈને પાછો ભણું?” ત્રણ મહિનામાં ત્રણસો વાર આ સવાલ મેં મમ્મીને પૂછ્યો અને મમ્મીએ સમજાવી લીધું કે ટ્યુશનમાં એનો વિકાસ થવાને બદલે રૂંધાઈ રહ્યો છે. આથી મારું ટ્યુશન બંધ કરાવ્યું નવમાં અને દસમાં ધોરણમાં કોઈપણ ટ્યુશન વગર મેં મારી પોતાની રીતે ભણવાનું ચાલુ રાખ્યું.

મારી મમ્મીને એક વાત બરાબર ખબર પડી ગઈ હતી કે મેં માર્ક્સમાં નહીં પણ જ્ઞાનમાં રસ છે. એટલે જ જ્યારે દસમાં ધોરણમાં ઈન્ટરનેશનલ એસ્ટ્રોનોમી ઓલિમ્પિયાડ માટે મારી પસંદગી કરવામાં આવી. આ માટે મને મારા ફેમિલી તરફથી પુરું પ્રોત્સાહન આપવામાં આવ્યું. ઓલિમ્પિયાડની ભારત સરકાર તરફથી અપાતી ટ્રેનિંગ કેમ્પસ તથા કિરગિસ્તાનમાં ઓલિમ્પિયાડમાં ભારતનું પ્રતિનિધિત્વ કરવા, મારે મારી સ્કુલના સમયનો સારો એવો ભોગ આપવો પડ્યો. સ્કુલમાં લેવાયેલ બીજી ટર્મની એક્ઝામ પણ હું ન આપી શક્યો. બસ મેં એક જ વાત કહી કે મને મારા શોખનો વિષય આંતરરાષ્ટ્રીય સ્તરે શીખવા મળી રહ્યો છે તો મને આ તક ઝડપી લેવા દો, હું આવીને દસમાં ધોરણ માટે ભણી લઈશ, અને ભવિષ્યમાં દસમાં ધોરણના માર્ક્સ કરતા મારી આ ઓલિમ્પિયાડની યાદો વધારે મહત્વની હશે, અને ફળ સ્વરૂપે મેં ઓલિમ્પિયાડમાં સીલ્વર મેડલ મેળવ્યો.

સ્કુલમાં દસમાં ધોરણમાં બેટમિન્ટન, સ્કવોશ, ચેસ, સ્વીમીંગ, ક્લાસિકલ મ્યુઝિક જેવી બધી ટુર્નામેન્ટમાં ભાગ લઈ પોતાના હાઉસ માટે મેં ઘણા જ પોઈન્ટ્સ જમા કર્યા.

નવેમ્બર પછી દસમાની પરિશાનું ભણવાનું શરૂ કર્યું અને ચાર મહિનામાં સતત ભણવા ઉપર ધ્યાન કેન્દ્રિત કરી મેં મારું લક્ષ્ય હાસલ કરી લીધું. બોર્ડ એક્ઝામમાં પંદર દિવસ પહેલાં જ ઈન્ટરનેશનલ અર્થ સાયન્સ ઓલિમ્પિયાડ એન્ટ્રેન્સ એક્ઝામ આપવા ગયો હતો. તેના વિવિધ લેવલ પાર કરી, સપ્ટેમ્બર ૨૦૧૫માં બ્રાઝિલમાં યોજાયેલ ઈન્ટરનેશનલ હરિક્ષાઈમાં સુવર્ણ પદક હાંસલ કર્યો જે ભારતે મેળવેલ પ્રથમ સુવર્ણ પદક છે.

Moral:- "પોતાના શીખને જ પોતાનું કેરિયર બનાવવું જોઈએ જેથી જિંદગીમાં કામનો ક્યારેય બોજ ન લાગે."

"The biggest challenge after success is shutting up about it." - Criss Jami
